

CONTENTS

VOLUME 1

SECTION I

PERIOPERATIVE CARE OF THE SURGICAL PATIENT / 1

CHAPTER 1: Metabolic and Inflammatory Responses to Trauma and Infection 3

Stephen Gondek • Adrian Barbul • Naji N. Abumrad

Mastery of Metabolic and Inflammatory Responses to Trauma and Infection Commentary 12

Timothy Billiar

CHAPTER 2: Perioperative Management: Practical Principles, Risk Determination and Future Directions 13

Mira Ghneim • Samuel A. Tisherman

Mastery of Perioperative Management: Practical Principles, Risk Determination and Future Directions Commentary 24

Matthew R. Rosengart

CHAPTER 3: Fluids, Electrolytes, and Renal Replacement Therapy 25

Staci Aubry • Matthew Delano • Pauline Park

Mastery of Fluids, Electrolytes, and Renal Replacement Therapy Commentary 33

Hasan B. Alam

CHAPTER 4: Enteral Nutrition Support and Gastrointestinal Issues 33

Ashley Thompson • Martin Rosenthal

Mastery of Enteral Nutrition Support and Gastrointestinal Issues Commentary 43

Grant O'Keefe

CHAPTER 5: Respiratory Care and Ventilation in the Surgical ICU 44

Gary Alan Bass • Jose L. Pascual • Lewis J. Kaplan

Mastery of Respiratory Care and Ventilation in the Surgical ICU Commentary 61

Kimberly A. Davis

CHAPTER 6: Cardiovascular Monitoring and Support 62

Vanessa Nomellini • Timothy A. Pritts

Mastery of Cardiovascular Monitoring and Support Commentary 73

Deborah M. Stein

CHAPTER 7: Best Practices in Endocrine Care in the Perioperative Period 74

Sean Wrenn • Nicole Siparsky

Mastery of Best Practices in Endocrine Care in the Perioperative Period Commentary 82

Timothy G. Buchman

CHAPTER 8: Hemorrhagic Risk, Blood Components, and Anticoagulation/DVT Prophylaxis 83

Charles C. Butts • Nathan M. Polite • Jon D. Simmons

Mastery of Hemorrhagic Risk, Blood Components, and Anticoagulation/DVT Prophylaxis Commentary 90

Hunter B. Moore

CHAPTER 9: Perioperative Antimicrobial Prophylaxis, Treatment of Surgical Infection and Sepsis 91

Isaiah Turnbull • John Mazuski • Sara Buckman

Mastery of Perioperative Antimicrobial Prophylaxis, Treatment of Surgical Infection and Sepsis Commentary 108

Letitia E. Bible

CHAPTER 10: Sedation and Delirium in the Surgical Intensive Care Unit 109

Aleksandra Yakhkind • Timothy Gaulton • Jose L. Pascual

Mastery of Sedation and Delirium in the Surgical Intensive Care Unit Commentary 117

Joseph Cuschieri

CHAPTER 11: Acute Postoperative Pain Management 117

Rebecca L. Schwartz • Letitia E. Bible

Mastery of Acute Postoperative Pain Management Commentary 124

Mitchell Jay Cohen

CHAPTER 12: Surgeons and the Opioid Epidemic

are online-only chapters and

are anatomy-based chapters.

CHAPTER 13: Surgery and Perioperative Care during the COVID-19 Pandemic 124

Ronnie Mubang • Robel Beyene • Adrian Barbul

Mastery of Surgery and Perioperative Care during the COVID-19 Pandemic Commentary 130

Charles H. Cook

CHAPTER 14: Core Procedures in the Surgical Intensive Care Unit 131

Jessica Taylor • Liza Laquian • Ashley Thompson

Mastery of Core Procedures in the Surgical Intensive Care Unit Commentary 138

Rosemary Kozar

CHAPTER 15: Mastery Keys: Anatomy of Venous Access, Subclavian and Internal Jugular Veins 139

Anne M. R. Agur • Carol Scott-Conner

SECTION II

BASIC SURGICAL SKILLS AND EMERGING TECHNOLOGY / 141

CHAPTER 16: Laparoscopic Suturing and Stapling 143

Victoria Needham • Samuel Szomstein

Mastery of Laparoscopic Suturing and Stapling Commentary 154

Ali Aminian

CHAPTER 17: Ultrasonography by Surgeons 155

Ellen J. Hagopian • Junji Machi

Mastery of Ultrasonography by Surgeons Commentary 173

Herbert Chen

CHAPTER 18: Tumor Ablation: Technologies and Clinical Applications 174

Michael S. Sabel

Mastery of Tumor Ablation: Technologies and Clinical Applications Commentary 185

V. Suzanne Klimberg

CHAPTER 19: Upper and Lower Gastrointestinal Endoscopy 186

Jeffrey L. Ponsky • Tolga Erim • Emre Gorgun

Mastery of Upper and Lower Gastrointestinal Endoscopy Commentary 200

Jeffrey M. Marks

CHAPTER 20: Mastery Keys: Endoscopic Anatomy of Upper and Lower Gastrointestinal Tract 201

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 21: Robotic Surgery 204

Shawn Liu • Sonia Ramamoorthy

Mastery of Robotic Surgery Commentary 210

Mark Soliman

CHAPTER 22: Surgical Energy 211

Edward L. Jones • Dean J. Mikami

Mastery of Surgical Energy Commentary 220

Daniel B. Jones

CHAPTER 23: Telemedicine for Surgeons 221

Andrew R. Watson • Heather L. Evans • Vahagn C. Nikolian

Mastery of Telemedicine for Surgeons Commentary 229

Chad Ellimoottil

CHAPTER 24: Artificial Intelligence and Virtual Reality 230

Tom Pampiglione • Manish Chand

Mastery of Artificial Intelligence and Virtual Reality Commentary 241

Daniel A. Hashimoto

CHAPTER 25: Telepresence Surgery 242

Barbara Seeliger • Jacques Marescaux • Silvana Perretta

Mastery of Telepresence Surgery Commentary 25.1 248

Steven D. Wexner

Mastery of Telepresence Surgery Commentary 25.2 249

Michel Gagner

CHAPTER 26: An Effective Approach to Mastering Communication in Surgery 249

Joseph V. Sakran • Patricia L. Turner

Mastery of an Effective Approach to Mastering Communication in Surgery Commentary 254

Neil Flack

CHAPTER 27: Fluorescence Imaging 255

Fernando Dip • Emanuele Lo Menzo

• Kevin P. White • Raul J. Rosenthal

Mastery of Fluorescence Imaging Commentary 266

Frederic Ris

CHAPTER 28: Video-Based Education 266

Antonio M. Lacy • José M. Balibrea • Francisco B. de Lacy

Mastery of Video-Based Education Commentary 273

Neil J. Smart

CHAPTER 29: Deferred Live Surgery 274

Joep Knol • Sergio Castorina • Sami Chadi

Mastery of Deferred Live Surgery Commentary 280

Julie Freischlag

CHAPTER 30: Integrated Operating Room 281

Karen Tung Lok Man • Michael Li Ka Wah

Mastery of Integrated Operating Room Commentary 284

Emanuele Lo Menzo

CHAPTER 31: Regenerative Medicine in Surgery 285

Amy L. Lightner • Anil Vaidya

Mastery of Regenerative Medicine in Surgery Commentary 292

Art Hiranyakas

CHAPTER 32: Social Media as a Surgical Tool 293

Deborah S. Keller • Julio Mayol

Mastery of Social Media as a Surgical Tool Commentary 302

Paula Ferrada

CHAPTER 33: Hyperthermic Intraperitoneal Chemotherapy and Pressurized Intraperitoneal Aerosol Chemotherapy 302

Mayank Roy • Delia Cortes-Guiral

Mastery of Hyperthermic Intraperitoneal Chemotherapy and Pressurized Intraperitoneal Aerosol Chemotherapy Commentary 308

Olivier Glehen

SECTION III ENDOCRINE SURGERY / 311

Part A: Thyroid 313

CHAPTER 34: Indications for Surgical Management of Thyroid Disease 313

Ashley K. Cayo • Christine S. Landry • Kristin L. Long

Mastery of Indications for Surgical Management of Thyroid Disease Commentary 320

Sareh Parangi

CHAPTER 35: Mastery Keys: Surgical Anatomy of Thyroid Gland and Midline Neck Structures 321

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 36: Open Thyroidectomy 327

Jonathan Zagzag • Janice L. Pasieka

Mastery of Open Thyroidectomy Commentary 333

Nancy D. Perrier

CHAPTER 37: Neck Dissection for Thyroid Cancer 334

Alan P.B. Dackiw

Mastery of Neck Dissection for Thyroid Cancer Commentary 339

Thomas J. Fahey III

CHAPTER 38: Mastery Keys: Surgical Anatomy of Neck Dissection 341

Anne M. R. Agur • Carol Scott-Conner

Part B: Parathyroid 347

CHAPTER 39: Primary Hyperparathyroidism 347

Steven E. Rodgers • Sally E. Carty

Mastery of Primary Hyperparathyroidism Commentary 359

Nancy D. Perrier

CHAPTER 40: Mastery Keys: Surgical Anatomy of Parathyroid Glands 360

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 41: Minimally Invasive Parathyroidectomy 362

Aditya S. Shirali • Lilah F. Morris-Wiseman

Mastery of Minimally Invasive Parathyroidectomy Commentary 369

Nancy D. Perrier

CHAPTER 42: Standard Cervical Exploration for Primary Hyperparathyroidism 370

Benzon Dy • Melanie Lyden

Mastery of Standard Cervical Exploration for Primary Hyperparathyroidism Commentary 375

Geoffrey Bruce Thompson

CHAPTER 43: Secondary and Tertiary Hyperparathyroidism as a Consequence of End-Stage Renal Disease 375

Christopher R. McHenry • Shabirhusain S. Abadin

Mastery of Secondary and Tertiary Hyperparathyroidism as a Consequence of End-Stage Renal Disease Commentary 382

Juan Pablo Pantoja

CHAPTER 44: Parathyroid Carcinoma 382

Si-Yuan Wu • Angelica Silva-Figueroa

Mastery of Parathyroid Carcinoma Commentary 393

Nancy D. Perrier

Part C: Adrenal 394

CHAPTER 45: Work Up of Adrenal Masses and Preoperative Management of Functional Adrenal Tumors 394

Minerva Angélica Romero Arenas • Sarah B. Fisher

Mastery of Work Up of Adrenal Masses and Preoperative Management of Functional Adrenal Tumors Commentary 402

Linwah Yip

CHAPTER 46: Minimally Invasive Adrenalectomy (Laparoscopic and Retroperitoneoscopic) 403

Paul H. Graham • Paxton V. Dickson

Mastery of Minimally Invasive Adrenalectomy (Laparoscopic and Retroperitoneoscopic) Commentary 411

Nancy D. Perrier

CHAPTER 47: Mastery Keys: Anatomy of Adrenal Glands 413

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 48: Robotic Adrenalectomy 417

John E. Phay • Jennifer H. Kuo

Mastery of Robotic Adrenalectomy Commentary 424

Vivian E. Strong

CHAPTER 49: Open Adrenalectomy 425

Barbra S. Miller • Juan J. Sancho

Mastery of Open Adrenalectomy Commentary 435

Richard A. Hodin

SECTION IV BREAST / 437

CHAPTER 50: Mastery of Benign Disease and Breast Pain 439

Christine Laronga • Susan J. Hoover

Mastery of Benign Disease and Breast Pain Commentary 447

V. Suzanne Klimberg

CHAPTER 51: Mastery Keys: Surgical Anatomy of Breast 448

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 52: Diagnostic Approach to Breast Abnormalities 450

Patrick Jennings • Rachel Taylor • Gwendolyn Bryant-Smith

Mastery of Diagnostic Approach to Breast Abnormalities Commentary 463

Ronda Henry-Tillman

CHAPTER 53: Breast-Conserving Therapy 465

Ted A. James • Monica Valero

Mastery of Breast-Conserving Therapy Commentary 472

V. Suzanne Klimberg

CHAPTER 54: Postoperative Radiation Treatment for Management of Breast Cancer 473

Waqar M. Haque

Mastery of Postoperative Radiation Treatment for Management of Breast Cancer Commentary 481

V. Suzanne Klimberg

CHAPTER 55: Ablative Techniques for Benign and Malignant Breast Tumors 481

V. Suzanne Klimberg

Mastery of Ablative Techniques for Benign and Malignant Breast Tumors Commentary 494

Michael S. Sabel

CHAPTER 56: Treatment of the Axilla 494

Lisa Spiguel

Mastery of Treatment of the Axilla Commentary 503

V. Suzanne Klimberg

CHAPTER 57: Mastery Keys: Surgical Anatomy of Axilla and Pectoral Region 504

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 58: Lymphedema—Pathophysiology, Prevention, and Treatment 509

Sarah M. DeSnyder • Sarah A. McLaughlin

Mastery of Lymphedema—Pathophysiology, Prevention, and Treatment Commentary 522

V. Suzanne Klimberg

CHAPTER 59: Simple, Modified, and Radical Mastectomy 523

Ko Un Park

Mastery of Simple, Modified, and Radical Mastectomy Commentary 529

V. Suzanne Klimberg

CHAPTER 60: Oncoplastic Techniques for Breast Cancer 536

Isabel T. Rubio • Ashutosh Kothari • A. Esgueva • U. Jain

Mastery of Oncoplastic Techniques for Breast Cancer Commentary 548

V. Suzanne Klimberg

CHAPTER 61: Breast Reconstruction Following Mastectomy 549

Pallavi Kumbale • Stanley Okoro • Jorge I. de la Torre

Mastery of Breast Reconstruction Following Mastectomy Commentary 559

V. Suzanne Klimberg

CHAPTER 62: Salvage Surgery for Recurrent/Advanced Carcinoma of the Breast 559

Jacqueline Tsai • Irene L. Wapnir

Mastery of Salvage Surgery for Recurrent/Advanced Carcinoma of the Breast Commentary 567

V. Suzanne Klimberg

CHAPTER 63: Clinical Trials and Follow-up in Breast Cancer 568

Kristalyn K. Gallagher • Philip M. Spanheimer • V. Suzanne Klimberg

Mastery of Clinical Trials and Follow-up in Breast Cancer Commentary 575

V. Suzanne Klimberg

CHAPTER 64: Management of Breast Cancer in Special Presentations 576

Solange E. Cox • Kelly K. Hunt

Mastery of Management of Breast Cancer in Special Presentations Commentary 584

V. Suzanne Klimberg

CHAPTER 65: Quality Measure and Outcomes in Breast Cancer 585

Lyndsey J. Kilgore • Jamie L. Wagner

Mastery of Quality Measure and Outcomes in Breast Cancer Commentary 587

V. Suzanne Klimberg

CHAPTER 66: Molecular Staging and Its Implication in Treating Breast Cancer 588

Stephen B. Edge

Mastery of Molecular Staging and Its Implication in Treating Breast Cancer Commentary 595

V. Suzanne Klimberg

SECTION V

MELANOMA AND SOFT TISSUE TUMORS / 597

Part A: Cutaneous Lesions 599

CHAPTER 67: Workup of Suspicious Cutaneous Lesions to Melanoma and Soft Tissue Tumors 599

Elliot A. Asare • John R. Hyngstrom • Tawnya L. Bowles

Mastery of Workup of Suspicious Cutaneous Lesions to Melanoma and Soft Tissue Tumors Commentary 604

John H. Stewart IV

CHAPTER 68: Malignant Melanoma 605

Georgia M. Beasley • Douglas S. Tyler

Mastery of Malignant Melanoma Commentary 617

John H. Stewart IV

CHAPTER 69: Merkel Cell Cancer 617

Sonia Cohen • Genevieve M. Boland

Mastery of Merkel Cell Cancer Commentary 620

John H. Stewart IV

CHAPTER 70: Cutaneous Squamous Cell Carcinoma 621

John T. Miura • Susan Pei • Joanna L. Walker

Mastery of Cutaneous Squamous Cell Carcinoma Commentary 628

John H. Stewart IV

CHAPTER 71: Basal Cell Carcinoma 629

Amod Sarnaik

Mastery of Basal Cell Carcinoma Commentary 635

John H. Stewart IV

Part B: Soft Tissue Sarcomas 636

CHAPTER 72: Extremity Sarcomas 636

Rachel K. Voss • Christina L. Roland

Mastery of Extremity Sarcomas Commentary 645

John H. Stewart IV

CHAPTER 73: Retroperitoneal Sarcoma 645

Alexandra C. Istl • Callisia N. Clarke

Mastery of Retroperitoneal Sarcoma Commentary 656

John H. Stewart IV

Part C: Plastic and Reconstructive Surgery 657

CHAPTER 74: Plastic and Reconstructive Surgery for Melanoma and Soft Tissue Tumors 657

David C. A. Fisher • Edward Teng

Mastery of Plastic and Reconstructive Surgery for Melanoma and Soft Tissue Tumors Commentary 671

John H. Stewart IV

Part D: Lymph Node Dissections 672

CHAPTER 75: Management of the Inguinal Lymph Node Basin for Melanoma 672

Quyen D. Chu

Mastery of Management of the Inguinal Lymph Node Basin for Melanoma Commentary 677

John H. Stewart IV

CHAPTER 76: Mastery Keys: Anatomy of Inguinal Lymph Node Dissection 678

Anne M. R. Agur • Carol Scott-Conner

SECTION VI

CHEST WALL, ESOPHAGEAL CANCER, LUNG, AND MEDIASTINUM / 681

CHAPTER 77: Airway Procedures 683

Camila Greggianin • Kazuhiro Yasufuku

Mastery of Airway Procedures Commentary 698

Valerie W. Rusch

CHAPTER 78: Mastery Keys: Bronchoscopic Anatomy of Tracheobronchial Tree 699

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 79: Resection and Reconstruction of the Trachea 701

Cameron D. Wright • Harald C. Ott • Douglas J. Mathisen

Mastery of Resection and Reconstruction of the Trachea Commentary 714

Valerie W. Rusch

CHAPTER 80: Chest Wall Resection and Reconstruction 715

Gaetano Rocco • Farooq Shahzad •

Manjit S. Bains • Babak Mehrara

Mastery of Chest Wall Resection and Reconstruction Commentary 733

Valerie W. Rusch

CHAPTER 81: Mastery Keys: Surgical Anatomy of Chest Wall 734

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 82: Pulmonary Resection 741

Masaya Yotsukura • Hisao Asamura

Mastery of Pulmonary Resection Commentary 750

Valerie W. Rusch

CHAPTER 83: Video-Assisted Thoracic Surgery (VATS) Resection 751

Luis A. Godoy • David Tom Cooke

Mastery of Video-Assisted Thoracic Surgery (VATS) Resection Commentary 759

Valerie W. Rusch

CHAPTER 84: Mastery Keys: Surgical Anatomy of Lungs 760

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 85: Robotic-Assisted Thoracoscopic Surgery and Resection 766

Hugh G. Auchincloss • Uma M. Sachdeva • Lana Y. Schumacher

Mastery of Robotic-Assisted Thoracoscopic Surgery and Resection Commentary 766

Valerie W. Rusch

CHAPTER 86: Open Procedures for Esophagectomy 776

Valerie W. Rusch

CHAPTER 87: Mastery Keys: Surgical Anatomy of Thoracic and Abdominal Esophagus 791

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 88: Minimally Invasive Esophagectomy 794

Jonathan C. Yeung • Gail E. Darling

CHAPTER 89: Esophageal Cancer: Robotic-Assisted Minimally Invasive Esophagectomy 801

Evan T. Alicuben • James M. Ackerman • Inderpal S. Sarkaria

CHAPTER 90: Transhiatal Esophagectomy 808

Jules Lin • Mark B. Orringer

Mastery of Esophagectomy: Many Approaches and How to Choose Commentary 828

Valerie W. Rusch

CHAPTER 91: The Management of Pleural Disease 829

Brian Housman • Andrea Wolf

Mastery of the Management of Pleural Disease Commentary 847

Valerie W. Rusch

CHAPTER 92: Management of Mediastinal Masses 848

Neel P. Chudgar • Kenneth A. Kesler • James Huang

Mastery of Management of Mediastinal Masses
Commentary 857

Valerie W. Rusch

CHAPTER 93: Mastery Keys: Surgical Anatomy of Mediastinum (Noncardiac) 858

Anne M. R. Agur • Carol Scott-Conner

SECTION VII

BENIGN FOREGUT AND STOMACH / 867

Part A: The Esophagus 869

CHAPTER 94: Minimally Invasive Antireflux Surgery—Fundoplication 869

Priya A. Rajdev • Jennifer F. Preston • Nathaniel J. Soper

Mastery of Minimally Invasive Antireflux Surgery—
Fundoplication Commentary 887

Jon C. Gould

CHAPTER 95: Mastery Keys: Anatomy of Diaphragm 889

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 96: Minimally Invasive Paraesophageal Hernia Repair 892

Melissa L. DeSouza • Christy M. Dunst

Mastery of Minimally Invasive Paraesophageal Hernia
Repair Commentary 901

Jon C. Gould

CHAPTER 97: Endoluminal Therapies for Gastroesophageal Reflux Disease 902

W. Scott Melvin

Mastery of Endoluminal Therapies for Gastroesophageal
Reflux Disease Commentary 907

Jon C. Gould

CHAPTER 98: Revisional Operations for Fundoplication Failure 908

Varun Jain • Steven P. Bowers

Mastery of Revisional Operations for Fundoplication
Failure Commentary 919

Jon C. Gould

CHAPTER 99: Magnetic Sphincter Augmentation for GERD 920

C. Daniel Smith

Mastery of Magnetic Sphincter Augmentation for GERD
Commentary 929

Jon C. Gould

CHAPTER 100: Nissen–Rossetti Antireflux Fundoplication (Open Procedure)

Mastery of Nissen–Rossetti Antireflux Fundoplication (Open
Procedure) Commentary

CHAPTER 101: Modified Hill Repair for Gastroesophageal Reflux

Mastery of Modified Hill Repair for Gastroesophageal
Reflux Commentary

CHAPTER 102: Minimally Invasive Treatment of Achalasia and Other Esophageal Dysmotility 931

Michael S. Nussbaum • Bestoun H. Ahmed

Mastery of Minimally Invasive Treatment of Achalasia and
Other Esophageal Dysmotility Commentary 944

Jon C. Gould

CHAPTER 103: Peroral Endoscopic Myotomy for Achalasia 945

B. Fernando Santos • Eric S. Hungness

Mastery of Peroral Endoscopic Myotomy for Achalasia
Commentary 952

Jon C. Gould

Part B: The Stomach and Duodenum 953

CHAPTER 104: Pathology and Treatment of Zenker Diverticulum 953

Eliza D. Hompe • Christopher R. Morse

Mastery of Pathology and Treatment of Zenker
Diverticulum Commentary 957

Jon C. Gould

CHAPTER 105: Mastery Keys: Surgical Anatomy of Cervical Esophagus 959

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 106: Percutaneous Endoscopic Gastrostomy 960

Jeffrey L. Ponsky • Benjamin K. Poulouse

Mastery of Percutaneous Endoscopic Gastrostomy
Commentary 965

Jon C. Gould

CHAPTER 107: Mastery Keys: Surgical Anatomy of Stomach 966

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 108: Surgical Management of Gastroparesis 971

Lee L. Swanström

Mastery of Surgical Management of Gastroparesis
Commentary 978

Jon C. Gould

CHAPTER 109: Endoscopic Management of Gastroparesis 979

John H. Rodriguez • Matthew Kroh

Mastery of Endoscopic Management of Gastroparesis
Commentary 984

Jon C. Gould

CHAPTER 110: Selective and Nonselective Vagotomies

Mastery of Selective and Nonselective Vagotomies Commentary

CHAPTER 111: Mastery Keys: Surgical Anatomy of Vagus Nerve 986

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 112: Distal Gastrectomy: Open and Minimally Invasive Techniques 990

Miseker Abate • Vivian E. Strong

Mastery of Distal Gastrectomy: Open and Minimally Invasive Techniques Commentary 994

Jon C. Gould

CHAPTER 113: Gastric Cancer 995

John T. Mullen

Mastery of Gastric Cancer Commentary 1010

Jon C. Gould

CHAPTER 114: Gastrointestinal Stromal Tumors 1011

Ankit Dhiman • Kiran K. Turaga

Mastery of Gastrointestinal Stromal Tumors Commentary 1017

Jon C. Gould

CHAPTER 115: Postgastrectomy Syndromes and Related Bariatric Problems in the Current Era 1018

Omar M. Ghanem • Michael G. Sarr

Mastery of Postgastrectomy Syndromes and Related Bariatric Problems in the Current Era Commentary 1038

Jon C. Gould

CHAPTER 116: Superior Mesenteric Artery Syndrome 1039

Bryan V. Dieffenbach • Stanley W. Ashley • Matthew T. Menard

Mastery of Superior Mesenteric Artery Syndrome Commentary 1045

Jon C. Gould

Part C: Bariatric and Metabolic Diseases 1047

CHAPTER 117: Diabetes and Other Metabolic Diseases 1047

Robert C. Ross • Vance L. Albaugh • Philip R. Schauer

Mastery of Diabetes and Other Metabolic Diseases Commentary 1057

Tammy Lyn Kindel

CHAPTER 118: Minimally Invasive Roux-en-Y Gastric Bypass 1057

Bradley J. Needleman • Sabrena F. Noria

Mastery of Minimally Invasive Roux-en-Y Gastric Bypass Commentary 1066

Tammy Lyn Kindel

CHAPTER 119: Minimally Invasive Vertical Sleeve Gastrectomy 1067

Emanuele Lo Menzo • Samuel Szomstein • Raul J. Rosenthal

Mastery of Minimally Invasive Vertical Sleeve Gastrectomy Commentary 1073

Tammy Lyn Kindel

CHAPTER 120: The Laparoscopic Gastric Band Technique of Placement 1074

Wendy A. Brown • Paul E. O'Brien

Mastery of the Laparoscopic Gastric Band Technique of Placement Commentary 1078

Jon C. Gould

CHAPTER 121: Laparoscopic Biliopancreatic Diversion with Duodenal Switch 1079

Cheguevara Afaneh • Gregory Dakin

Mastery of Laparoscopic Biliopancreatic Diversion with Duodenal Switch Commentary 1089

Jon C. Gould

CHAPTER 122: Endoscopic Primary Bariatric Therapies 1090

Karan Grover • Leena Khaitan

Mastery of Endoscopic Primary Bariatric Therapies Commentary 1108

Jon C. Gould

CHAPTER 123: Management of Acute Complications of Bariatric Surgery 1109

James J. Jung • Matthew M. Hutter

Mastery of Management of Acute Complications of Bariatric Surgery Commentary 1117

Tammy Lyn Kindel

CHAPTER 124: Revisional Bariatric Surgery 1118

Matthew Kroh • John H. Rodriguez

Mastery of Revisional Bariatric Surgery Commentary 1127

Tammy Lyn Kindel

CHAPTER 125: Median Arcuate Ligament Syndrome (MALS) 1128

Benjamin R. Biteman

Mastery of Median Arcuate Ligament Syndrome (MALS) Commentary 1135

Jon C. Gould

SECTION VIII

COLON AND RECTAL SURGERY / 1137

Part A: Small Intestine 1139

CHAPTER 126: Clinical Anatomy for Procedures Involving the Small Bowel, Colon, Rectum, and Anus 1139

Uri Netz • Susan Galandiuk

Mastery of Clinical Anatomy for Procedures Involving the Small Bowel, Colon, Rectum, and Anus Commentary 1152

Susan Galandiuk

CHAPTER 127: Small Bowel Obstruction after Total Colectomy 1153

Susan Galandiuk • Uri Netz

Mastery of Small Bowel Obstruction after Total Colectomy Commentary 1161

Susan Galandiuk

CHAPTER 128: The Continent Ileostomy

Mastery of the Continent Ileostomy Commentary

CHAPTER 129: Technique of Ileostomy Construction and Closure 1162

Billy Y. Lan • Harvey G. Moore • Christopher R. Mantyh

Mastery of Technique of Ileostomy Construction and Closure Commentary 1174

Susan Galandiuk

CHAPTER 130: Gastrointestinal-Cutaneous Fistulas 1175

Kristen A. Ban • Matthew Mutch

Mastery of Gastrointestinal-Cutaneous Fistulas Commentary 1182

Susan Galandiuk

CHAPTER 131: Surgical Treatment of Small Bowel Crohn Disease 1183

Scott Strong

Mastery of Surgical Treatment of Small Bowel Crohn Disease Commentary 1193

Susan Galandiuk

CHAPTER 132: Neuroendocrine and Other Tumors 1194

Pasithorn A. Suwanabol • Andrew J. Russ

Mastery of Neuroendocrine and Other Tumors Commentary 1202

Susan Galandiuk

CHAPTER 133: Management of the Patient with Intestinal Failure 1203

Sandra Kavalukas • Stephen A. McClave

Mastery of Management of the Patient with Intestinal Failure Commentary 1210

Susan Galandiuk

Part B: Colon, Rectum, Anus 1211

CHAPTER 134: Appendiceal Carcinoma 1211

Matthew Kalady

Mastery of Appendiceal Carcinoma Commentary 1214

Susan Galandiuk

CHAPTER 135: Large Bowel Obstruction 1215

Konstantin Umanskiy • Neil H. Hyman

Mastery of Large Bowel Obstruction Commentary 1225

Susan Galandiuk

CHAPTER 136: Surgical Treatment of Colonic and Perianal Crohn Disease 1226

Linda Ferrari • Alessandro Fichera

Mastery of Surgical Treatment of Colonic and Perianal Crohn Disease Commentary 1238

Susan Galandiuk

CHAPTER 137: Surgery for Toxic Megacolon in Ulcerative Colitis 1239

Scott R. Kelley

Mastery of Surgery for Toxic Megacolon in Ulcerative Colitis Commentary 1244

Susan Galandiuk

CHAPTER 138: Total Proctocolectomy and Intersphincteric Proctectomy for Benign Disease 1245

Alton Sutter • Feza H. Remzi

Mastery of Total Proctocolectomy and Intersphincteric Proctectomy for Benign Disease Commentary 1252

Susan Galandiuk

CHAPTER 139: Ileoanal Pouch Procedure for Ulcerative Colitis and Familial Adenomatous Polyposis 1253

Susan Galandiuk • Jeffrey R. Jorden • Russell W. Farmer

Mastery of Ileoanal Pouch Procedure for Ulcerative Colitis and Familial Adenomatous Polyposis Commentary 1262

Susan Galandiuk

CHAPTER 140: Total Colectomy and Ileorectal Anastomosis 1263

David J. Maron • Steven D. Wexner

Mastery of Total Colectomy and Ileorectal Anastomosis Commentary 1274

Susan Galandiuk

CHAPTER 141: Surgery for Diverticulitis 1275

Rocco Ricciardi

Mastery of Surgery for Diverticulitis Commentary 1285

Susan Galandiuk

CHAPTER 142: Technique of Colostomy Construction and Closure 1286

Luca Stocchi

Mastery of Technique of Colostomy Construction and Closure Commentary 1295

Susan Galandiuk

CHAPTER 143: Care of Stomas 1296

Marc C. Osborne • Ann C. Lowry

Mastery of Care of Stomas Commentary 1304

Susan Galandiuk

CHAPTER 144: Open and Minimally Invasive Right Hemicolectomy for Cancer 1305

Martin R. Weiser

Mastery of Open and Minimally Invasive Right Hemicolectomy for Cancer Commentary 1313

Susan Galandiuk

CHAPTER 145: Open and Minimally Invasive Left Hemicolectomy for Neoplasms of the Descending Colon, Sigmoid, and Upper Rectum 1314

Mehraneh Dorna Jafari • Michael J. Stamos

Mastery of Open and Minimally Invasive Left Hemicolectomy for Neoplasms of the Descending Colon, Sigmoid, and Upper Rectum Commentary 1321

Susan Galandiuk

CHAPTER 146: Total Mesorectal Excision (TME) 1322*R. J. (Bill) Heald • Amjad Parvaiz***Mastery of Total Mesorectal Excision (TME) Commentary 1339***Susan Galandiuk***CHAPTER 147: Transanal Total Mesorectal Excision 1339***Ameer Omar Farooq • Patricia Sylla***Mastery of Transanal Total Mesorectal Excision Commentary 1348***Susan Galandiuk***CHAPTER 148: The Assessment of Patients with Rectal Cancer After Neoadjuvant Therapy: Changing Surgical Paradigms 1349***Rodrigo Oliva Perez • Angelita Habr-Gama***Mastery of the Assessment of Patients with Rectal Cancer After Neoadjuvant Therapy: Changing Surgical Paradigms Commentary 1354***Susan Galandiuk***CHAPTER 149: Open and Minimally Invasive Sphincter-Preserving Radical Resection for Malignant Disease of the Middle and Lower Thirds of the Rectum 1355***Elliot G. Arsoniadis • Wolfgang B. Gaertner • Robert D. Madoff***Mastery of Open and Minimally Invasive Sphincter-Preserving Radical Resection for Malignant Disease of the Middle and Lower Thirds of the Rectum Commentary 1371***Susan Galandiuk***CHAPTER 150: Abdominoperineal Resection of the Rectum for Rectal Cancer 1372***Patricio B. Lynn • Carrie Y. Peterson • Julio Garcia-Aguilar***Mastery of Abdominoperineal Resection of the Rectum for Rectal Cancer Commentary 1385***Susan Galandiuk***CHAPTER 151: The Approach to Reoperative Pelvic Surgery in Rectal Cancer 1386***Felipe F. Quezada-Diaz • J. Joshua Smith • Jose G. Guillem***Mastery of the Approach to Reoperative Pelvic Surgery in Rectal Cancer Commentary 1393***Susan Galandiuk***CHAPTER 152: Sacral Resection for Recurrent Rectal Cancers 1394***Peter J. M. Lee • Michael J. Solomon***Mastery of Sacral Resection for Recurrent Rectal Cancers Commentary 1404***Susan Galandiuk***CHAPTER 153: Cytoreductive Surgery and Hyperthermic Intraperitoneal Chemotherapy for Cancers of the Appendix and Colon 1405***Edward A. Levine***Mastery of Cytoreductive Surgery and Hyperthermic Intraperitoneal Chemotherapy for Cancers of the Appendix and Colon Commentary 1411***Susan Galandiuk***CHAPTER 154: Management of Retrorectal Tumors 1412***Cindy Kin • Mark Welton***Mastery of Management of Retrorectal Tumors Commentary 1422***Susan Galandiuk***CHAPTER 155: Rectal Prolapse 1423***Elisa H. Birnbaum***Mastery of Rectal Prolapse Commentary 1434***Susan Galandiuk***CHAPTER 156: Anorectal Disorders 1435***Michael R. B. Keighley***Mastery of Anorectal Disorders Commentary 1459***Susan Galandiuk***CHAPTER 157: Management of Premalignant and Malignant Neoplasms of the Anal Canal and Perianal Area 1460***Erica Pettke • Matthew Whealon • Joshua I.S. Bleier***Mastery of Management of Premalignant and Malignant Neoplasms of the Anal Canal and Perianal Area Commentary 1469***Susan Galandiuk***CHAPTER 158: Transanal Excision of Rectal Neoplasms 1470***Ahmed I. Allawi • John R. T. Monson***Mastery of Transanal Excision of Rectal Neoplasms Commentary 1478***Susan Galandiuk***CHAPTER 159: Functional Bowel Disorders 1479***Michael R. B. Keighley***Mastery of Functional Bowel Disorders Commentary 1492***Susan Galandiuk***VOLUME 2****SECTION IX****BILIARY TRACT, LIVER, PANCREAS, AND SPLEEN / 1493****Part A: The Liver and Biliary Tract 1495****CHAPTER 160: Diagnostic Considerations in Biliary and Liver Disease 1495***Beatrice Sun • Daniel Delitto • George A. Poultsides***Mastery of Diagnostic Considerations in Biliary and Liver Disease Commentary 1512***Patricio M. Polanco***CHAPTER 161: Approaches to Drainage of Hepatic, Perihepatic, and Subhepatic Abscesses 1513***Timothy L. Pruett • Daniel Borja-Cacho***Mastery of Approaches to Drainage of Hepatic, Perihepatic, and Subhepatic Abscesses Commentary 1522***Ellen J. Hagopian*

CHAPTER 162: Mastery Keys: Anatomy of Peritoneal Spaces 1523

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 163: Hepatic Abscess 1527

Christina T. Fiske • Virginia B. Planz • Sunil K. Geevarghese

Mastery of Hepatic Abscess Commentary 1536

Major Kenneth Lee

CHAPTER 164: Cholecystostomy, Cholecystectomy, and Intraoperative Evaluation of the Biliary Tree 1537

Anne O. Lidor • Kristen A. Wong

Mastery of Cholecystostomy, Cholecystectomy, and Intraoperative Evaluation of the Biliary Tree Commentary 1547

Henry A. Pitt

CHAPTER 165: Mastery Keys: Anatomy of Gallbladder and Extrahepatic Biliary Tract 1548

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 166: Laparoscopic Cholecystectomy, Intraoperative Cholangiography, and Common Bile Duct Exploration 1552

Anne P. Ehlers • Dana A. Telem

Mastery of Laparoscopic Cholecystectomy, Intraoperative Cholangiography, and Common Bile Duct Exploration Commentary 1564

Ajay V. Maker

CHAPTER 167: Reconstruction of the Bile Duct: Anatomic Principles and Surgical Techniques 1565

Toms Augustin • R. Matthew Walsh

Mastery of Reconstruction of the Bile Duct: Anatomic Principles and Surgical Techniques Commentary 1579

Adnan Alseidi

CHAPTER 168: Current Application of Endoscopic Sphincterotomy, Lateral Choledocoduodenostomy, and Transduodenal Sphincteroplasty 1580

Daniel A. Hashimoto • Jeffrey M. Marks

Mastery of Current Application of Endoscopic Sphincterotomy, Lateral Choledocoduodenostomy, and Transduodenal Sphincteroplasty Commentary 1593

Benjamin K. Poulouse

CHAPTER 169: Primary Sclerosing Cholangitis 1594

John E. Eaton • Charles B. Rosen

Mastery of Primary Sclerosing Cholangitis Commentary 1601

Timothy M. Pawlik

CHAPTER 170: Cholecystojejunostomy and Choledochojejunostomy/Hepaticojejunostomy 1602

Maitham A. Moslim • Dhires R. Jeyarajah

Mastery of Cholecystojejunostomy and Choledochojejunostomy/Hepaticojejunostomy Commentary 1611

Alexander A. Parikh

CHAPTER 171: Operative Treatment of Choledochal Cysts 1612

Michael Hughes • Rowan Parks

Mastery of Operative Treatment of Choledochal Cysts Commentary 1616

Gregory M. Tiao

CHAPTER 172: Hepatic Resection for Primary and Metastatic Tumors 1617

Richard Schulick • Ana Luiza Mandelli Gleisner

Mastery of Hepatic Resection for Primary and Metastatic Tumors Commentary 1628

Timothy M. Pawlik

CHAPTER 173: Mastery Keys: Anatomy of Liver 1629

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 174: High Malignant Biliary Tract Obstruction 1636

Jordan M. Cloyd • Timothy M. Pawlik

Mastery of High Malignant Biliary Tract Obstruction Commentary 1643

J. Wallis Marsh

CHAPTER 175: The Associating Liver Partition and Portal Vein Ligation for Staged Hepatectomy (ALPPS) Approach 1644

Martin de Santibañes • Victoria Ardiles • Eduardo de Santibañes

Mastery of the Associating Liver Partition and Portal Vein Ligation for Staged Hepatectomy (ALPPS) Approach Commentary 1651

Michael Linecker • Pierre-Alain Clavien

CHAPTER 176: Minimally Invasive Hepatectomy 1652

Eduardo A. Vega • Eran Brauner • Claudius Conrad

Mastery of Minimally Invasive Hepatectomy Commentary 1664

David A. Geller

Part B: The Pancreas 1665

CHAPTER 177: Operative Interventions for Chronic Pancreatitis 1665

Katherine A. Morgan

Mastery of Operative Interventions for Chronic Pancreatitis Commentary 1670

Brendan C. Visser

CHAPTER 178: Mastery Keys: Surgical Anatomy of Duodenum and Pancreas 1671

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 179: Parenchyma-sparing, Duodenum-Preserving Pancreatic Head Resection for Inflammatory Tumor, Cystic Neoplasm and Neuroendocrine Adenoma of the Pancreatic Head 1679

Hans G. Beger • Bertram Poch • Reinhard Bittner

Mastery of the State of Parenchyma-sparing Pancreatectomy in the Modern Era Commentary 1687

Callisia N. Clarke

CHAPTER 180: Minimally Invasive/Robotic Pancreatectomy 1688
Charles C. Vining • Brian A. Boone • Melissa E. Hogg
 Mastery of Minimally Invasive/Robotic Pancreatectomy Commentary 1700
Herbert J. Zeh III

CHAPTER 181: Management of Necrotizing Pancreatitis 1701
Nicholas J. Zyromski
 Mastery of Management of Necrotizing Pancreatitis Commentary 1709
Susanne Warner

CHAPTER 182: Management of Complications of Acute and Chronic Pancreatitis: Endoscopic, Laparoscopic, and Open Approaches to Pancreatic Pseudocysts and Pancreatic Necrosis 1710
Abdul M. Kouanda • Craig A. Munroe • Hobart W. Harris
 Mastery of Management of Complications of Acute and Chronic Pancreatitis: Endoscopic, Laparoscopic, and Open Approaches to Pancreatic Pseudocysts and Pancreatic Necrosis Commentary 1722
Rebecca A. Snyder

CHAPTER 183: Pancreaticoduodenectomy and Total Pancreatectomy for Cancer 1723
Syed A. Ahmad • Gregory C. Wilson • Sameer H. Patel
 Mastery of Pancreaticoduodenectomy and Total Pancreatectomy for Cancer Commentary 1748
Susan Tsai

 **CHAPTER 184:** Splanchnic Denervation of the Pancreas for Intractable Pain
 Mastery of Splanchnic Denervation of the Pancreas for Intractable Pain Commentary

CHAPTER 185: Pancreatic Neuroendocrine Tumors 1750
Callisia N. Clarke • Douglas B. Evans
 Mastery of Pancreatic Neuroendocrine Tumors Commentary 1763
Jordan M. Cloyd

Part C: The Spleen 1764

CHAPTER 186: Benign Disease of the Spleen 1764
Joal D. Beane • Valerie P. Grignol
 Mastery of Benign Disease of the Spleen Commentary 1769
Juan M. Sarmiento

 **CHAPTER 187:** Mastery Keys: Surgical Anatomy of Spleen 1771
Anne M. R. Agur • Carol Scott-Conner

CHAPTER 188: Splenectomy for Hematologic Disease and Malignant Conditions of the Spleen 1774
David A. Santos • Hun J. Lee
 Mastery of Splenectomy for Hematologic Disease and Malignant Conditions of the Spleen Commentary 1784
Raphael E. Pollock

CHAPTER 189: Minimally Invasive Splenectomy 1785
Maggie L. Diller • John F. Sweeney
 Mastery of Minimally Invasive Splenectomy Commentary 1793
Luke M. Funk

SECTION X SOLID ORGAN TRANSPLANTATION / 1795

Part A: General Considerations in Organ Transplantation 1797

CHAPTER 190: Immunosuppression in Organ Transplantation 1797
Matthew G. Hartwig • Allan D. Kirk
 Mastery of Immunosuppression in Organ Transplantation Commentary 1807
William C. Chapman

CHAPTER 191: Multiorgan Donor Recovery 1807
Erin Maynard • Christopher Connelly
 Mastery of Multiorgan Donor Recovery Commentary 1812
William C. Chapman

Part B: Portal Hypertension 1813

 **CHAPTER 192:** Anatomy of the Portal System and Experience With Portacaval Shunt
 Mastery of Anatomy of the Portal System and Experience With Portacaval Shunt Commentary

 **CHAPTER 193:** Mastery Keys: Surgical Anatomy of Portal Venous System 1815
Anne M. R. Agur • Carol Scott-Conner

CHAPTER 194: Endoscopic Therapy in the Management of Esophageal Varices 1818
Jake E. J. Krige • Eduard Jonas • Marc Bernon
 Mastery of Endoscopic Therapy in the Management of Esophageal Varices Commentary 1832
William C. Chapman

 **CHAPTER 195:** Small-Diameter Prosthetic Interposition Shunt
 Mastery of Small-Diameter Prosthetic Interposition Shunt Commentary

 **CHAPTER 196:** Distal Splenorenal Shunts: Hemodynamics of Total Versus Selective Shunting

 **CHAPTER 197:** Central Splenorenal Shunts
 Mastery of Central Splenorenal Shunts Commentary

CHAPTER 198: TIPS and Other Direct Treatments of Portal Hypertension for Solid Organ Transplantation 1833

Nassir Rostambeigi • Michael D. Darcy

Mastery of TIPS and Other Direct Treatments of Portal Hypertension for Solid Organ Transplantation Commentary 1840

William C. Chapman

Part C: The Liver and Biliary Tract 1841

CHAPTER 199: Complex Hepatic Resection for Primary and Metastatic Tumors 1841

Alan W. Hemming

Mastery of Complex Hepatic Resection for Primary and Metastatic Tumors Commentary 1856

William C. Chapman

CHAPTER 200: Regional Therapies for Hepatic Malignancies 1856

P. Joseph Massa • Robert J. Lewandowski

Mastery of Regional Therapies for Hepatic Malignancies Commentary 1860

William C. Chapman

CHAPTER 201: Management of Hilar Cholangiocarcinoma 1861

Kristina H.K. Lemon • Shimul A. Shah

Mastery of Management of Hilar Cholangiocarcinoma Commentary 1867

William C. Chapman

CHAPTER 202: Liver Transplantation for HCC 1868

Franklin Olumba • William C. Chapman

Mastery of Liver Liver Transplantation for HCC for HCC Commentary 1877

Shimul A. Shah

CHAPTER 203: Liver Transplant for Non-HCC Malignancy 1877

Pål-Dag Line

Mastery of Liver Transplant for Non-HCC Malignancy Commentary 1885

William C. Chapman

CHAPTER 204: Living Donor Liver Transplant 1886

Megan A. Adams • Elizabeth Anne Pomfret

Mastery of Living Donor Liver Transplant Commentary 1898

William C. Chapman

CHAPTER 205: Liver Transplant in Children 1898

Angela Hill • Jennifer Yu • Maria B. Majella Doyle

Mastery of Liver Transplant in Children Commentary 1904

William C. Chapman

CHAPTER 206: Early and Late Complications of Liver Transplant 1904

Philippe Paci • Julie K. Heimbach

Mastery of Early and Late Complications of Liver Transplant Commentary 1917

William C. Chapman

Part D: Pancreas 1918

CHAPTER 207: Pancreas Transplantation 1918

Jonathan A. Fridell • Santosh Nagaraju • John A. Powelson

Mastery of Pancreas Transplantation Commentary 1929

William C. Chapman

Part E: Renal 1931

CHAPTER 208: Renal Transplantation: Living Donor and Cadaveric 1931

Dustin Carpenter • Sidharth Sharma •

Kasi McCune • Lloyd E. Ratner

Mastery of Renal Transplantation: Living Donor and Cadaveric Commentary 1939

William C. Chapman

CHAPTER 209: Peritoneal Dialysis 1940

Jennifer Yu • Anuja Java • Surendra Shenoy

Mastery of Peritoneal Dialysis Commentary 1948

William C. Chapman

SECTION XI

ABDOMINAL CORE HEALTH / 1951

Part A: Practical Considerations 1953

CHAPTER 210: Abdominal Core Health—A Holistic Approach to an Old Problem 1953

Benjamin K. Poulouse

Mastery of Abdominal Core Health—A Holistic Approach to an Old Problem Commentary 1954

E. Christopher Ellison

CHAPTER 211: Optimizing Patients for Abdominal Core Surgery 1955

Clayton Petro

Mastery of Optimizing Patients for Abdominal Core Surgery Commentary 1961

Benjamin K. Poulouse

CHAPTER 212: Abdominal Core Rehabilitation 1962

Courtney Collins • Laura Ward

Mastery of Abdominal Core Rehabilitation Commentary 1963

Benjamin K. Poulouse

Part B: Optimizing Abdominal Wall Closure and Hernia Prevention to Reduce Abdominal Core Dysfunction 1964

CHAPTER 213: Hernia Prophylaxis of the Midline Abdominal Incision 1964

Charlotte M. Horne • Eva B. Deerenberg • Eric M. Pauli

Mastery of Hernia Prophylaxis of the Midline Abdominal Incision Commentary 1972

Benjamin K. Poulouse

CHAPTER 214: Mastery Keys: Surgical Anatomy of the Anterolateral Abdominal Wall 1973

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 215: Hernia Prophylaxis of Stoma Sites 1976*William W. Hope • Manuel López-Cano***Mastery of Hernia Prophylaxis of Stoma Sites
Commentary 1981***Benjamin K. Poulouse***Part C: Intrinsic Diseases of the Abdominal
Wall 1982****CHAPTER 216: Open Approaches for Ventral
Hernia 1982***Arielle J. Perez • Charlotte M. Horne***Mastery of Open Approaches for Ventral Hernia
Commentary 1998***Benjamin K. Poulouse***CHAPTER 217: Minimally Invasive Approaches for
Ventral Hernia 1999***Benjamin T. Miller • Lucas R. A. Beffa • Ajita S. Prabhu***Mastery of Minimally Invasive Approaches for Ventral
Hernia Commentary 2006***Jeremy A. Warren***CHAPTER 218: Complex Situations in Abdominal Wall
Reconstruction 2007***Wes Love • Alfredo M. Carbonell***Mastery of Complex Situations in Abdominal Wall
Reconstruction Commentary 2011***Benjamin K. Poulouse***CHAPTER 219: Diastasis of the Abdominal Wall 2012***Anders G. Olsson***Mastery of Diastasis of the Abdominal Wall
Commentary 2024***Benjamin K. Poulouse***CHAPTER 220: Open Approaches With Mesh for
Inguinofemoral Hernia 2025***Yang Lu • Ian T. Macqueen • David C. Chen***Mastery of Open Approaches with Mesh for Inguinofemoral
Hernia Commentary 2032***Benjamin K. Poulouse***CHAPTER 221: Mastery Keys: Anatomy of Inguinal
and Femoral Hernias 2034***Anne M. R. Agur • Carol Scott-Conner***CHAPTER 222: Open Tissue-Based Approaches for
Inguinofemoral Hernia 2038***Michael Reinhorn • Benjamin K. Poulouse***Mastery of Open Tissue-Based Approaches for
Inguinofemoral Hernia Commentary 2051***Benjamin K. Poulouse***CHAPTER 223: Minimally Invasive Approaches for
Inguinofemoral Hernia 2052***Rana M. Higgins • Michael J. Rosen***Mastery of Minimally Invasive Approaches for Inguinofemoral
Hernia Commentary 2058***Jeremy A. Warren***CHAPTER 224: Mastery Keys: Minimally Invasive
Inguinal or Femoral Hernia Repair 2060***Anne M. R. Agur • Carol Scott-Conner***CHAPTER 225: Athletic Pubalgia and Core Muscle
Injury 2062***L. Michael Brunt • David Renton***Mastery of Athletic Pubalgia and Core Muscle Injury
Commentary 2070***Benjamin K. Poulouse***Part D: Extrinsic Diseases of the Abdominal
Wall 2071****CHAPTER 226: Prosthetics, Fixation, and Treatment
Related Complications 2071***Wen Hui Tan • Matthew J. Goldblatt***Mastery of Prosthetics, Fixation, and Treatment Related
Complications Commentary 2079***Benjamin K. Poulouse***CHAPTER 227: Chronic Inguinal Pain: Treatment and
Prevention 2080***David M. Kripata***Mastery of Chronic Inguinal Pain: Treatment and Prevention
Commentary 2086***David C. Chen***Part E: Tumors of the Abdominal Wall 2088****CHAPTER 228: Benign Tumors of the Abdominal
Wall 2088***Rebecca P. Petersen • Kate McNevin***Mastery of Benign Tumors of the Abdominal Wall
Commentary 2095***Benjamin K. Poulouse***CHAPTER 229: Malignant Tumors of the Abdominal
Wall 2096***Vedra A. Augenstein • Jenny M. Shao • Bola G. Aladegbami***Mastery of Malignant Tumors of the Abdominal Wall
Commentary 2106***Benjamin K. Poulouse***SECTION XII
VASCULAR SURGERY / 2107****Part A: Cerebrovascular Disease 2109****CHAPTER 230: Carotid Bifurcation Disease: Carotid
Endarterectomy, Transfemoral Stenting, and
Transcarotid Artery Revascularization 2109***Sina Zarrintan • Peter Layman • Mahmoud B. Malas***Mastery of Carotid Bifurcation Disease: Carotid
Endarterectomy, Transfemoral Stenting, and Transcarotid
Artery Revascularization Commentary 2129***Gilbert R. Upchurch Jr.***CHAPTER 231: Mastery Keys: Surgical Anatomy of
Carotid Arteries 2131***Anne M. R. Agur • Carol Scott-Conner*

CHAPTER 232: Brachiocephalic Reconstruction: Open and Endovascular 2135*Mark F. Conrad*

Mastery of Brachiocephalic Reconstruction: Open and Endovascular Commentary 2144

*Gilbert R. Upchurch Jr.***Part B: Aneurysm Disease 2145****CHAPTER 233: Open Thoracoabdominal Aortic Aneurysm Repair 2145***John R. Spratt • George J. Arnaoutakis*

Mastery of Open Thoracoabdominal Aortic Aneurysm Repair Commentary 2159

Gilbert R. Upchurch Jr.**CHAPTER 234: Mastery Keys: Anatomy of Aorta 2160***Anne M. R. Agur • Carol Scott-Conner***CHAPTER 235: Open Infrarenal and Pararenal Aortic Aneurysm Repair 2165***Jarrad W. Rowse • Francis J. Caputo*

Mastery of Open Infrarenal and Pararenal Aortic Aneurysm Repair Commentary 2170

*Peter K. Henke***CHAPTER 236: Endovascular Repair of Abdominal Aortic Aneurysm 2171***Graeme E. McFarland • Adam W. Beck*

Mastery of Endovascular Repair of Abdominal Aortic Aneurysm Commentary 2180

*Gilbert R. Upchurch Jr.***CHAPTER 237: Femoral and Popliteal Artery Aneurysms 2181***Mohammad H. Eslami*

Mastery of Femoral and Popliteal Artery Aneurysms Commentary 2192

Peter K. Henke**CHAPTER 238: Mastery Keys: Anatomy of Femoral and Popliteal Arteries 2193***Anne M. R. Agur • Carol Scott-Conner***CHAPTER 239: Treatment of Splenic Artery Aneurysms: Open and Endovascular 2196***Dawn M. Coleman • Gilbert R. Upchurch Jr.*

Mastery of Treatment of Splenic Artery Aneurysms: Open and Endovascular Commentary 2200

*Peter K. Henke***Part C: Chronic Lower Extremity Occlusive Disease 2201****CHAPTER 240: Treatment of Aortoiliac Occlusive Disease: Open Operations 2201***Loay Kabbani • Alexander Shepard*

Mastery of Treatment of Aortoiliac Occlusive Disease: Open Operations Commentary 2213

*Peter K. Henke***CHAPTER 241: Aortoiliac Occlusive Disease: Endovascular Including FERIS 2215***Jesse A. Columbo • David H. Stone*

Mastery of Aortoiliac Occlusive Disease: Endovascular including FERIS Commentary 2225

*Peter K. Henke***CHAPTER 242: Peripheral Arterial Occlusive Disease: Open 2226***Joseph L. Mills Sr. • Layla C. Lucas*

Mastery of Peripheral Arterial Occlusive Disease: Open Commentary 2236

*Peter K. Henke***CHAPTER 243: Endovascular Therapy for Infringuinal Arterial Occlusive Disease 2237***Richard J. Powell*

Mastery of Endovascular Therapy for Infringuinal Arterial Occlusive Disease Commentary 2244

*Peter K. Henke***CHAPTER 244: Major and Minor Lower Extremity Amputation 2245***Osarumen Okunbor • Gale L. Tang*

Mastery of Major and Minor Lower Extremity Amputation Commentary 2261

Peter K. Henke**CHAPTER 245: Mastery Keys: Anatomy of Lower Extremity Amputations 2262***Anne M. R. Agur • Carol Scott-Conner***CHAPTER 246: The Prevention and Treatment of Problems With the Diabetic Foot 2264***Kai Hata • Katherine Ann Gallagher*

Mastery of the Prevention and Treatment of Problems with the Diabetic Foot Commentary 2270

*Peter K. Henke***Part D: Acute Lower Extremity Ischemia 2271****CHAPTER 247: Arterial Embolectomy and Lower Extremity Fasciotomy 2271***Anders J. Davidson • Peter K. Henke*

Mastery of Arterial Embolectomy and Lower Extremity Fasciotomy Commentary 2282

Gilbert R. Upchurch Jr.**CHAPTER 248: Mastery Keys: Anatomy of Fascial Compartments of Lower Extremity 2283***Anne M. R. Agur • Carol Scott-Conner***Part E: Mesenteric and Renal Artery Disease 2291****CHAPTER 249: Renal Artery Occlusive Disease: Open and Endovascular Management 2291***Ashlee Stutsrim • Matthew Edwards*

Mastery of Renal Artery Occlusive Disease: Open and Endovascular Management Commentary 2306

Gilbert R. Upchurch Jr.

CHAPTER 250: Acute Mesenteric Artery Ischemia: Open and Endovascular 2307

Andrew B. Servais • Mohamad A. Hussain • James T. McPhee

Mastery of Acute Mesenteric Artery Ischemia: Open and Endovascular Commentary 2316

Peter K. Henke

CHAPTER 251: Mastery Keys: Anatomy of Mesenteric Arteries 2317

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 252: Open and Endovascular Revascularization for Chronic Mesenteric Ischemia 2320

Ali H. Khalifeh • Randall R. DeMartino

Mastery of Open and Endovascular Revascularization for Chronic Mesenteric Ischemia Commentary 2330

Peter K. Henke

Part F: Venous Disorders 2331

CHAPTER 253: Contemporary Operative Venous Thrombectomy 2331

Faisal Aziz • Tanya Flohr

Mastery of Contemporary Operative Venous Thrombectomy Commentary 2340

Peter K. Henke

CHAPTER 254: Chronic Deep Vein Thrombosis/Postthrombotic Syndrome: Open and Endovascular Treatment 2340

Brian A. Kuhn • Patrick E. Muck

Mastery of Chronic Deep Vein Thrombosis/Postthrombotic Syndrome: Open and Endovascular Treatment Commentary 2352

Peter K. Henke

CHAPTER 255: Vena Cava Filter Placement and Removal 2353

Sherry D. Scovell

Mastery of Vena Cava Filter Placement and Removal Commentary 2362

Peter K. Henke

CHAPTER 256: Venous Insufficiency Treatments, Including Medical Management 2363

Julianne Stoughton • Adam Tanious

Mastery of Venous Insufficiency treatments, including Medical Management Commentary 2374

Peter K. Henke

Part G: Dialysis Access 2376

CHAPTER 257: Autogenous and Prosthetic Arteriovenous Hemodialysis Access 2376

Salvatore T. Scali • Scott T. Robinson • Scott A. Berceli

Mastery of Autogenous and Prosthetic Arteriovenous Hemodialysis Access Commentary 2391

Peter K. Henke

CHAPTER 258: Mastery Keys: Vascular Anatomy of Upper Extremity 2393

Anne M. R. Agur • Carol Scott-Conner

Part H: Thoracic 2397

CHAPTER 259: Thoracic Outlet Syndrome 2397

Anders J. Davidson • Chandu Vemuri

Mastery of Thoracic Outlet Syndrome Commentary 2407

Peter K. Henke

CHAPTER 260: Mastery Keys: Anatomy of the Thoracic Outlet 2408

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 261: Blunt Thoracic Aortic Injury (BTAI) 2410

Cassra N. Arbabi • Ali Azizzadeh

Mastery of Blunt Thoracic Aortic Injury (BTAI) Commentary 2415

Gilbert R. Upchurch Jr.

Part I: Trauma 2416

CHAPTER 262: Vascular Injuries to the Neck, Including the Subclavian Vessels 2416

Diego V. S. Rodrigues • Bernardo C. Mendes • Todd E. Rasmussen

Mastery of Vascular Injuries to the Neck, Including the Subclavian Vessels Commentary 2424

Gilbert R. Upchurch Jr.

CHAPTER 263: Injury to the Abdomen: Open and Endovascular 2424

Miguel Manzur • Vincent Rowe

Mastery of Injury to the Abdomen: Open and Endovascular Commentary 2430

Gilbert R. Upchurch Jr.

CHAPTER 264: Injury to the Extremities: Open and Endovascular Management 2430

Manasa Kanneganti • W. Darrin Clouse

Mastery of Injury to the Extremities: Open and Endovascular Management Commentary 2446

Peter K. Henke

SECTION XIII TRAUMA, BURN, AND ACUTE CARE SURGERY / 2447

CHAPTER 265: Initial Assessment and Airway Management 2449

Catherine E. Sharoky • Patrick M. Reilly

Mastery of Initial Assessment and Airway Management Commentary 2461

Alicia M. Mohr

CHAPTER 266: Focused Assessment with Sonography in Trauma (FAST) 2462

Sean T. Dieffenbaugher • Michael A. Gibbs • Cynthia L. Talley

Mastery of Focused Assessment with Sonography in Trauma (FAST) Commentary 2470

Alicia M. Mohr

CHAPTER 267: Management of Neck Injuries 2471*Tanya Anand • Bellal A. Joseph***Mastery of Management of Neck Injuries Commentary 2483***Alicia M. Mohr***CHAPTER 268: Mastery Keys: Surgical Anatomy of Lateral Neck Exploration for Trauma 2485***Anne M. R. Agur • Carol Scott-Conner***CHAPTER 269: Neurosurgical Emergencies 2488***Bizhan Aarabi***Mastery of Neurosurgical Emergencies Commentary 2501***Jeremy W. Cannon***CHAPTER 270: Thoracic Trauma and Injury to the Diaphragm 2502***R. Stephen Smith***Mastery of Thoracic Trauma and Injury to the Diaphragm Commentary 2513***Jeremy W. Cannon***CHAPTER 271: Retained Hemothorax, Pleural Effusion and Traumatic Empyema 2514***Bradley Dennis • Stephen Gondek • Oscar Guillaumondegui***Mastery of Retained Hemothorax, Pleural Effusion and Traumatic Empyema Commentary 2520***Alicia M. Mohr***CHAPTER 272: Management of Cardiac Injuries 2521***Gerd Daniel Pust • Nicholas Namias***Mastery of Management of Cardiac Injuries Commentary 2530***Alicia M. Mohr***CHAPTER 273: Mastery Keys: Surgical Anatomy of Median Sternotomy and Heart 2532***Anne M. R. Agur • Carol Scott-Conner***CHAPTER 274: Damage Control Laparotomy 2538***Stephanie Eosten Joyce • Kimberly A. Davis***Mastery of Damage Control Laparotomy Commentary 2545***Alicia M. Mohr***CHAPTER 275: Treatment of Major Hepatic and Splenic Trauma 2546***Joseph A. Herrold • David T. Efron***Mastery of Treatment of Major Hepatic and Splenic Trauma Commentary 2570***Alicia M. Mohr***CHAPTER 276: Abdominal Vascular Injury and Use of REBOA 2571***Sharven Taghavi • Juan C. Duchesne***Mastery of Abdominal Vascular Injury and Use of REBOA Commentary 2578***Jeremy W. Cannon***CHAPTER 277: Duodenal and Pancreatic Trauma 2579***David V. Feliciano***Mastery of Duodenal and Pancreatic Trauma Commentary 2589***Alicia M. Mohr***CHAPTER 278: Abdominal Compartment Syndrome and Management of the Open Abdomen 2590***Louis J. Magnotti • Martin A. Croce***Mastery of Abdominal Compartment Syndrome and Management of the Open Abdomen Commentary 2596***Jeremy W. Cannon***CHAPTER 279: Pelvic Fractures and Retroperitoneal Hematoma 2597***Ariel W. Knight • Woon Cho Kim • Deborah M. Stein***Mastery of Pelvic Fractures and Retroperitoneal Hematoma Commentary 2609***Alicia M. Mohr***CHAPTER 280: Genitourinary Tract Trauma 2610***Viraj Master • Jack W. McAninch***Mastery of Genitourinary Tract Trauma Commentary 2629***Lawrence L. Yeung***CHAPTER 281: Mastery Keys: Surgical Anatomy of Urogenital System 2630***Anne M. R. Agur • Carol Scott-Conner***CHAPTER 282: Burn and Inhalation Injury 2639***Sophie Brosset • Dalia Barayan • Marc G. Jeschke***Mastery of Burn and Inhalation Injury Commentary 2655***Amalia Cochran***CHAPTER 283: Management of the Acute Abdomen 2656***Raquel M. Forsythe • Andrew B. Peitzman***Mastery of Management of the Acute Abdomen Commentary 2663***Alicia M. Mohr***CHAPTER 284: Gastrointestinal Bleeding 2664***Aussama K. Nassar • Micaela M. Esquivel • David A. Spain***Mastery of Gastrointestinal Bleeding Commentary 2673***Alicia M. Mohr***CHAPTER 285: Gastric and Duodenal Perforations 2674***Kazuhide Matsushima • Brent Emigh • Matthew J. Martin***Mastery of Gastric and Duodenal Perforations Commentary 2690***Alicia M. Mohr***CHAPTER 286: Acute Biliary Tract Disease 2691***Rachel V. Guest • O. James Garden***Mastery of Acute Biliary Tract Disease Commentary 2701***Alicia M. Mohr***CHAPTER 287: Small Bowel Obstruction 2702***Patrick Murphy • Marshall Beckman***Mastery of Small Bowel Obstruction Commentary 2707***Alicia M. Mohr***CHAPTER 288: Appendicitis 2708***Ethan Taub • Lillian S. Kao***Mastery of Appendicitis Commentary 2716***Alicia M. Mohr*

CHAPTER 289: Management of Toxic Megacolon and *C. difficile* Colitis 2717

Scott R. Kelley

Mastery of Management of Toxic Megacolon and *C. difficile* Colitis Commentary 2723

Alicia M. Mohr

CHAPTER 290: Complication of Bariatric Surgery 2724

Jessica Ardila-Gatas • Matthew D. Spann

Mastery of Complication of Bariatric Surgery Commentary 2732

Jeremy W. Cannon

CHAPTER 291: Surgical Infections of Skin and Soft Tissue 2733

Irma Fleming • Joanna Grudziak • Alexander L. Colonna

Mastery of Surgical Infections of Skin and Soft Tissue Commentary 2739

Alicia M. Mohr

CHAPTER 292: Management of Incarcerated Hernias 2740

John E. Griepentrog • Laura J. Moore

Mastery of Management of Incarcerated Hernias Commentary 2746

Alicia M. Mohr

SECTION XIV PEDIATRIC SURGERY / 2747

CHAPTER 293: Congenital Neck Masses 2749

William O. Collins • Victoria Claire James • Thomas Schrepfer

Mastery of Congenital Neck Masses Commentary 2763

Saleem Islam

CHAPTER 294: Esophageal Atresia and Tracheoesophageal Fistula 2763

Hester F. Shieh • C. Jason Smithers

Mastery of Esophageal Atresia and Tracheoesophageal Fistula Commentary 2774

Saleem Islam

CHAPTER 295: Mastery Keys: Embryology of the Development of the Esophagus and Trachea 2776

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 296: Congenital Diaphragmatic Hernia 2777

Sharada H. Gowda • Matthew T. Harting

Mastery of Congenital Diaphragmatic Hernia Commentary 2788

Saleem Islam

CHAPTER 297: Chest Wall Deformities 2789

David M. Notrica

Mastery of Chest Wall Deformities Commentary 2800

Robert Obermeyer

CHAPTER 298: Gastroesophageal Reflux Disease in Infants and Children 2801

Robert Baird

Mastery of Gastroesophageal Reflux Disease in Infants and Children Commentary 2809

Saleem Islam

CHAPTER 299: Hypertrophic Pyloric Stenosis and Congenital Duodenal Obstruction 2809

Maria Carmen Mora • Willieford Moses • Aaron R. Jensen

Mastery of Hypertrophic Pyloric Stenosis and Congenital Duodenal Obstruction Commentary 2821

Saleem Islam

CHAPTER 300: Malrotation 2822

Kathleen van Leeuwen

Mastery of Malrotation Commentary 2831

Saleem Islam

CHAPTER 301: Mastery Keys: Embryology of Gastrointestinal Tract 2832

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 302: Biliary Atresia and Choledochal Cysts–Obstructive Jaundice in the Pediatric Population 2835

Gregory M. Tiao

Mastery of Biliary Atresia and Choledochal Cysts–Obstructive Jaundice in the Pediatric Population Commentary 2843

Alex G. Cuenca

CHAPTER 303: Intussusception 2844

Moiz M. Mustafa

Mastery of Intussusception Commentary 2849

Saleem Islam

CHAPTER 304: Congenital Abdominal Wall Defects 2850

Faidah Badru • Saleem Islam

Mastery of Congenital Abdominal Wall Defects Commentary 2862

Mike K. Chen

CHAPTER 305: Mastery Keys: Embryology of Formation of Thoracic and Abdominal Wall and Cavities 2863

Anne M. R. Agur • Carol Scott-Conner

CHAPTER 306: Neonatal Necrotizing Enterocolitis and Short Bowel Syndrome 2866

Brad W. Warner • Janice A. Taylor

Mastery of Neonatal Necrotizing Enterocolitis and Short Bowel Syndrome Commentary 2876

Jeffrey S. Upperman

CHAPTER 307: Neonatal Bowel Obstruction 2877

Robin T. Petroze

Mastery of Neonatal Bowel Obstruction Commentary 2885

Saleem Islam

CHAPTER 308: Hirschsprung Disease 2886

Ihab Halaweish • Richard J. Wood

[Mastery of Hirschsprung Disease Commentary 2893](#)

Marc A. Levitt

CHAPTER 309: Anorectal Malformations 2894

Prathima Nandivada • Belinda Hsi Dickie

[Mastery of Anorectal Malformations Commentary 2903](#)

Marc A. Levitt

CHAPTER 310: Cryptorchidism 2903

Romano DeMarco • Christopher Bayne

[Mastery of Cryptorchidism Commentary 2914](#)

Saleem Islam

CHAPTER 311: Mastery Keys: Descent of Testis 2915

Anne M. R. Agur • Carol Scott-Conner

VIDEO CONTENTS

SECTION I

PERIOPERATIVE CARE OF THE SURGICAL PATIENT

CHAPTER 14: Core Procedures in the Surgical Intensive Care Unit

Video 14.1. Radial arterial line placement

Video 14.2. Central venous line insertion

Video 14.3. Pulmonary artery catheter placement

Video 14.4. Bronchoscopy

SECTION II

BASIC SURGICAL SKILLS AND EMERGING TECHNOLOGY

CHAPTER 24: Artificial Intelligence and Virtual Reality

Video 24.1. Use of augmented reality in colorectal surgery

CHAPTER 28: Video-Based Education

Video 28.1. Telestration

CHAPTER 29: Deferred Live Surgery

Video 29.1. Synchronized deferred live surgery 1

Video 29.2. Synchronized deferred live surgery 2

SECTION VI

CHEST WALL, ESOPHAGEAL CANCER, LUNG, AND MEDIASTINUM

CHAPTER 83: Video-Assisted Thoracic Surgery (VATS) Resection

Video 83.1. VATS right upper lobectomy

Video 83.2. VATS left lower lobectomy

CHAPTER 88: Minimally Invasive Esophagectomy

Video 88.1. Division of the pars flaccida and mobilization of the crura

Video 88.2. Preparation of the gastrohepatic ligament

Video 88.3. Dissection of the greater curve and mobilization of the gastrocolic ligament

Video 88.4. Dissection and division of the left gastric artery

Video 88.5. Creation of the gastric tube

Video 88.6. Abdominal lymph node dissection

Video 88.7. Dissection of the hiatus

Video 88.8. Division of the azygous vein and posterior mobilization of the thoracic esophagus

Video 88.9. Anterior mobilization of the thoracic esophagus

Video 88.10. Mobilization of the esophagus from the trachea and carina

Video 88.11. Dissection of the left sided pleura and left inferior pulmonary ligament

Video 88.12. Division of the esophagus and delivery of the gastric conduit into the chest

Video 88.13. Stapled esophagogastric anastomosis using EEA

CHAPTER 89: Esophageal Cancer: Robotic-Assisted Minimally Invasive Esophagectomy

Video 89.1. Robotic assisted minimally invasive esophagectomy

CHAPTER 90: Transhiatal Esophagectomy

Video 90.1. Cervical esophagogastric anastomosis

SECTION VII

BENIGN FOREGUT AND STOMACH

CHAPTER 102: Minimally Invasive Treatment of Achalasia and Other Esophageal Dysmotility

Video 102.1. Surgical treatment for achalasia

CHAPTER 108: Surgical Management of Gastroparesis

Video 108.1. Per-Oral Pyloromyotomy

CHAPTER 125: Median Arcuate Ligament Syndrome (MALS)

Video 125.1. Laparoscopic surgery for MALS

Video 125.2. Robotic surgery for MALS

SECTION VIII

COLON AND RECTAL SURGERY

CHAPTER 139: Ileoanal Pouch Procedure for Ulcerative Colitis and Familial Adenomatous Polyposis

Video 139.1. Open j-pouch pars¹

CHAPTER 141: Surgery for Diverticulitis

Video 141.1. Laparoscopic sigmoid resection for diverticulitis¹

CHAPTER 143: Care of Stomas

Video 143.1. Prolapsed Ileostomy¹

Video 143.2. Retracted loop Ileostomy¹

¹Videos are used with permission from *Diseases of the Colon & Rectum* journal.

CHAPTER 144: Open and Minimally Invasive Right Hemicolectomy for Cancer

Video 144.1. Robotic right colectomy with intracorporeal anastomosis¹

Video 144.2. Robotic right hemicolectomy with complete mesocolic excision¹

CHAPTER 145: Open and Minimally Invasive Left Hemicolectomy for Neoplasms of the Descending Colon, Sigmoid, and Upper Rectum

Video 145.1. Laparoscopic extended left hemicolectomy with delayers procedure¹

Video 145.2. Open left hemicolectomy for proximal sigmoid cancer¹

CHAPTER 146: Total Mesorectal Excision (TME)

Video 146.1. Artificial intelligence-based total mesorectal excision plane navigation in laparoscopic colorectal surgery¹

Video 146.2. Stereotactic pelvic navigation with augmented reality for transanal total mesorectal excision¹

CHAPTER 147: Transanal Total Mesorectal Excision

Video 147.1. Transanal component of the transanal total mesorectal excision dissection with intersphincteric resection

CHAPTER 148: The Assessment of Patients with Rectal Cancer After Neoadjuvant Therapy: Changing Surgical Paradigms

Video 148.1. Endoscopic findings of rectal cancer

Video 148.2. Endoscopic features consistent with a complete clinical response after neoadjuvant treatment

Video 148.3. Endoscopic findings of a patient who has completed neoadjuvant therapy

CHAPTER 150: Abdominoperineal Resection of the Rectum for Rectal Cancer

Video 150.1. Lateral pelvic lymph node dissection¹

Video 150.2. Robotic abdominoperineal resection¹

CHAPTER 152: Sacral Resection for Recurrent Rectal Cancers

Video 152.1. Transanal total mesorectum excision technique¹

CHAPTER 154: Management of Retrorectal Tumors

Video 154.1. Robotic transabdominal approach to retrorectal mass¹

CHAPTER 155: Rectal Prolapse

Video 155.1. Rectopexy and repair of the pouch of Douglas for rectal intussusception and enterocele¹

Video 155.2. Robotic ventral mesh rectopexy and sacrocolpopexy¹

CHAPTER 156: Anorectal Disorders

Video 156.1. Lateral internal sphincterotomy¹

CHAPTER 158: Transanal Excision of Rectal Neoplasms

Video 158.1. Transanal endoscopic microsurgery for T1 rectal cancer¹

SECTION X

SOLID ORGAN TRANSPLANTATION

CHAPTER 199: Complex Hepatic Resection for Primary and Metastatic Tumors

Video 199.1. Portal vein resection/reconstruction

Video 199.2. Reconstruction of a segment 6 vein during left trisectionectomy.

Video 199.3. Inferior vena cava (IVC) reconstruction during right hepatectomy

Video 199.4. Venovenous bypass and ex vivo resection with IVC reconstruction

Video 199.5. Back table reconstruction of hepatic vein branches during ex vivo resection

SECTION XI

ABDOMINAL CORE HEALTH

CHAPTER 217: Minimally Invasive Approaches for Ventral Hernia

Video 217.1. Robotic intraperitoneal onlay mesh (IPOM) ventral hernia repair (VHR)

Video 217.2. Robotic single-dock Rives-Stoppa approach to VHR

Video 217.3. Extended totally extraperitoneal repair (eTEP) approach to VHR

Video 217.4. Robotic approach to transversus abdominis release (TAR)

CHAPTER 219: Diastasis of the Abdominal Wall

Video 219.1. Rectus diastasis repair

CHAPTER 222: Open Tissue-Based Approaches for Inguinofemoral Hernia

Video 222.1. Shouldice repair for left direct inguinal hernia²

CHAPTER 223: Minimally Invasive Approaches for Inguinofemoral Hernia

Video 223.1. Robotic transabdominal preperitoneal inguinal hernia repair

Video 223.2. Laparoscopic transabdominal preperitoneal inguinal hernia repair

SECTION XII

VASCULAR SURGERY

CHAPTER 237: Femoral and Popliteal Artery Aneurysms

Video 237.1 A-C. Pseudoaneurysm of femoral artery

¹Videos are used with permission from *Diseases of the Colon & Rectum* journal.

²Copyright © 2021 JOMI LLC, jomi.com.

SECTION XIV

PEDIATRIC SURGERY

CHAPTER 296: Congenital Diaphragmatic Hernia

Video 296.1AB. Left congenital diaphragmatic hernia (CDH) repair, laparotomy

Video 296.2AB. Left CDH repair, thoracoscopy

CHAPTER 297: Chest Wall Deformities

Video 297.1. Submuscular dissection

Video 297.2. Right chest port placement

Video 297.3. Sternal elevation

Video 297.4. Deep deformity and mediastinal dissection

Video 297.5. Passage of the bar introducer and Nuss bar

Video 297.6. Hammock procedure

Video 297.7. Bar bending

Video 297.8. Nuss bar rotation

Video 297.9. Pericostal rib fixation of the bar

Video 297.10. Cryoanalgesia and counting ribs

CHAPTER 300: Malrotation

Video 300.1. Malrotation

Video 300.2. Heterotaxy malrotation

CHAPTER 303: Intussusception

Video 303.1. Fluoroscopic imaging of an air reduction enema

CHAPTER 310: Cryptorchidism

Video 310.1. Inguinal orchidopexy and herniorrhaphy

Video 310.2. Robot-assisted laparoscopic orchidopexy
